

REPORT

Public Works and Operations

TO: Public Works and Active Transportation Committee

FROM: Ben Kester, C.E.T., CRS-S

DATE: February 7, 2022

REPORT: PWO 11/22 **FILE NO.**

SUBJECT: Gravel Road Conversion Schedule

BACKGROUND: Several years ago, Council approved to convert gravel roads to hard surface. It takes 3 years for the conversion. (2 years of gravel before hard surface treatment)

This year the following roads are scheduled to be hard surfaced:

- O'Neil Road from Ganton Road to Regional Road 23
- Ashworth Road from Concession 5 to Concession 6
- Ashworth Road from Concession 6 to 0.35km west of Regional Road 1
- Concession 5 from Regional Road 11 to Ashworth Road

DISCUSSION: Attached is the gravel conversion schedule. Note that the schedule does not include dead end gravel roads.

RECOMMENDATION:

THAT Report PWO 11/22 be received for information.

Respectfully Submitted by:

Ben Kester, C.E.T., CRS-S
Director of Public Works & Operations
