

REPORT

Public Works and Operations

TO: Mayor and Members of Council
FROM: Ben Kester, Director of Public Works and Operations
DATE: August 8, 2022
REPORT: PWO-47/22 **FILE NO.**

SUBJECT: No Parking Zone

BACKGROUND:

In the last month, the developer on Elgin Park Drive has built a MUP (multi use path) on the south side of Elgin Park Drive. The new path crosses the existing trail that crosses Elgin Park Drive. The area east of the end of the new guiderail needs to be posted "No Parking" otherwise people will start parking on the MUP.

DISCUSSION:

No Parking signs need to be posted from Howard Williams Court to the west 50 m and to the east of Howard Williams Court 50 m. This will also prevent anyone from parking in the sight lines of anyone pulling out onto Elgin Park Drive.

RECOMMENDATION

THAT Report PWO-47/22 Ben Kester, Director of Public Works and Operations be received for information;

AND THAT Council direct the Clerk's Department prepare the necessary by-law.

Respectfully Submitted by:
