Good afternoon Mr. Popp,

I support the deputation that will be presented on September 12th to bring a playground to the Campbell Drive / Cemetery Road neighbourhood.

The kids in the neighbourhood would love to have a playground they can walk to. Our neighbourhood has changed a lot over the last few years with lots more kids than ever before in the neighbourhood so it would be great to give them a safe place to play. Every other neighbourhood in our town has this option for the children. Why should ours be the only one without?

Thank you for your consideration!
