Dear Willie,

I support the deputation that will be presented on September 12th to bring a playground to the Campbell Drive / Cemetery Road neighbourhood.

The kids in the neighbourhood would love to have a playground they can walk to. Our neighbourhood has changed a lot over the last few years with lots more kids than ever before in the neighbourhood so it would be great to give them a safe place to play.

And my wife and I would love to have a playground so we can bring our grandchildren there to play.

We also think the Kirton Court location might be even better since there would be no loss of trees, and because the ground is already fairly level. With the new sidewalk under construction, this location is more accessible than it was previously.

Thank you for your consideration!

Brigitte Koch & Don Bagshaw
