Subject: FW: Poppy Campaign Lawn Signs

Greetings All,

The Legion will be again embarking on their annual Poppy Campaign on October 28, 2022

The Lawn sign fundraiser was very well received by Uxbridge residents last year. So much so that we had to re-order, and sold out again! 35 people were waitlisted for the upcoming fundraiser.

We are requesting permission for all who support the Lawn sign campaign to be able to place signs on their own property.

These signs are approx. 24 x 16, held by an H bracket. Local business Take Root Creative is again our supplier of record.

Please advise if we are able to promote this program with the proviso that those who purchase will comply with the local bylaw.

Lest we forget

With many thanks for your support,
