

REPORT

Public Works and Operations

TO: Public Works and Active Transportation Committee

FROM: Ben Kester, C.E.T., CRS-S

DATE: January 16, 2023

REPORT: PWO-02/23

FILE NO.

SUBJECT: Automated External Defibrillator (DEFIB) Request

BACKGROUND:

Union Local 53 has requested installation of an Automated External Defibrillator (AED) at the Work's Depot.

DISCUSSION:

The following is a list of cost associated with the installation of an AED at the Work's Depot.

Purchase:	\$2562.65 plus HST
Wall Cabinet:	\$348.82 plus HST
Fee to base hospital:	\$250 quarterly
Yearly training:	\$750 for 12 people (6 hours course)

RECOMMENDATION

THAT Report PWO-02/23 be received for information;

AND THAT an AED be installed at the Work's Depot as soon as possible, the unionized public work staff each receive training, yearly and that the 2023 propose public works operating budget be revised accordingly.

Respectfully Submitted by:

Ben Kester, C.E.T., CRS-S
Director of Public Works & Operations
