## Public Works and Operations

**TO:** Public Works and Active Transportation Committee  
**FROM:** Ben Kester, C.E.T. CRS-S, Director of Public Works & Operations  
**DATE:** May 15, 2023  
**REPORT:** PWO-08/23 **FILE NO.**

---

**SUBJECT:** Concession 6 Petition for a 'No Truck' Designation

---

### BACKGROUND:

Council received this petition in July 2022 and a traffic count was conducted.

### DISCUSSION:

The results were as followed:

The total truck traffic over the period July 8-14, 2022 was 500.

The total traffic count was 2551 vehicles/day.

The percentage of trucks was 3 % which translates to 70 trucks per day or 7 trucks per hour between 9AM and 6PM.

The truck traffic volume is low and does not warrant a ban on trucks for Concession 6.

### RECOMMENDATION

THAT Report PWO-08/23 be received for information;

AND THAT a 'No Heavy Truck' designation is not supported.

Respectfully Submitted by:
