

A SCULPTURE TO REMEMBER THE MAY 2022 TORNADO

MARK PUIGMARTI - METAL ARTIST
FRANCIS MUSCAT - GLASS ARTIST
FLY FREEMAN – MULTI-MEDIA ARTIST

...one of the many losses in
the aftermath of the
Tornado, was the sculpture
by Wynn Walters on the
corner of Toronto and Main
St.

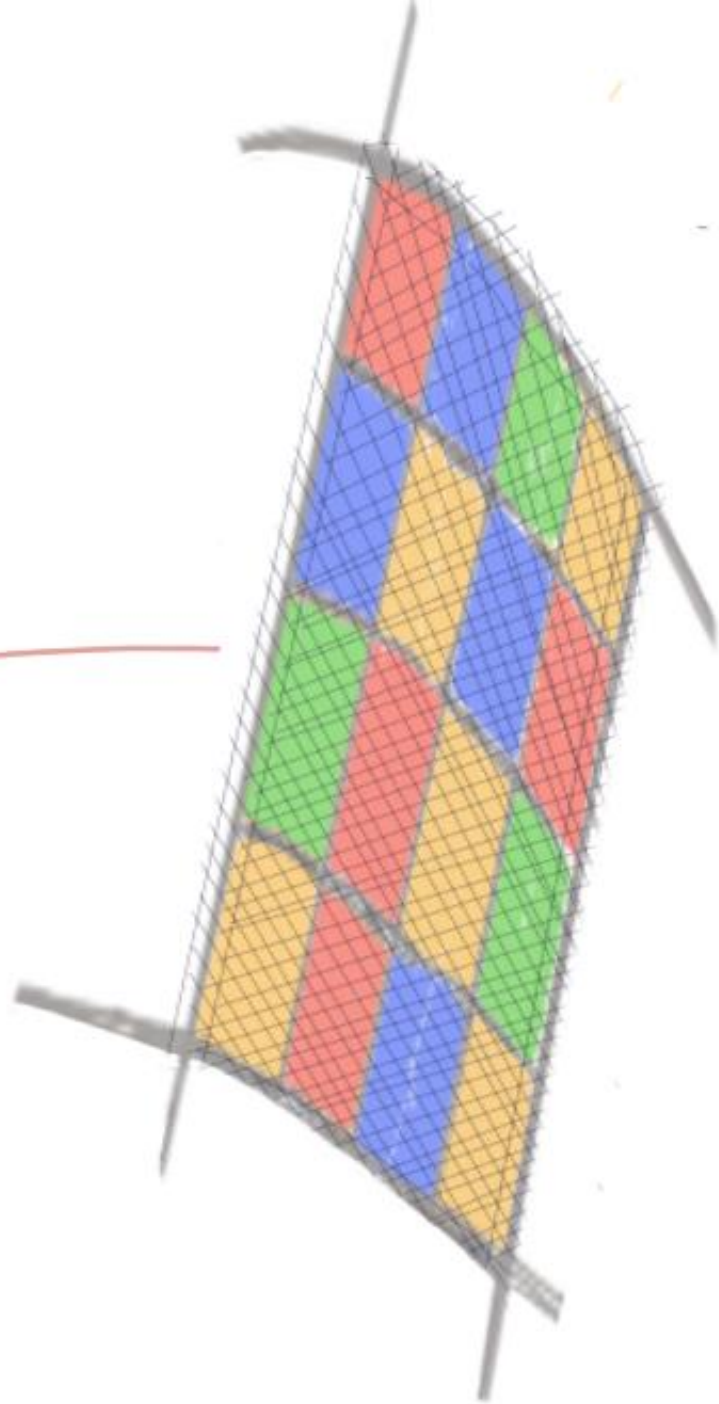

We propose to create a new piece for the existing sculpture base.

A sculpture that would remember the weather event that has changed our town.
